Profession:	Senior International Consultant
Contract Type:	Permanent

FURTHER INFORMATION

SIDS DOCK, an international organization of Small Island Developing States (SIDS) and low-lying countries, aimed at addressing issues of renewable energy and energy efficiency in SIDS, is recruiting a highly qualified **Projects Manager**, who will be responsible:

- To increase the quality and quantity of **low carbon projects** being readied for public sector, private sector and public-private financing, including the monetization of carbon benefits;
- To establish and maintain an **information and communication network** among small island professionals regarding project development and management;
- To coordinate and facilitate **the presentation of project and financial mechanism proposals** for consideration by financial institutions, public and private, local, regional and international;
- To build local and regional **project preparation capacity**.

Successful candidates for the Projects Manager position must exhibit substantial professional experience in:

- **Low carbon project development** and financing;
- Technical, economic, social, environmental and financial **feasibility analysis**;
- **Distance communication** and coordination among diverse professional groups and cultures;
- **Emerging market** public-private finance;
- **Preparation and presentation of financing proposals** to financial institutions; and
- **Mobilizing resources** for feasibility studies and projects.

The SIDS DOCK Projects Manager will report to the SIDS DOCK Secretary-General or designee and be based in Belize. Qualified candidates will be offered a two-year contract. The position will involve substantial global travel.

Qualified candidates should **send an email** (*no CVs please*) expressing interest in the position and summarizing (*in less than 250 words*) his or her experience in the six areas listed above. Emails should state in the **Subject line**: "Projects Manager Expression of Interest," and be emailed to ProjectsManager@SIDSDOCK.org, before **9 July 2014**. Potential candidates will then be contacted.
