

*“From the Caribbean to Paris: securing an optimal outcome at and from COP21”*

## **Notice for “Call for Presentations”**

at the side events at the *Wider Caribbean Pavilion* in the Blue Zone, UNFCCC COP21 in Paris, France.

The Caribbean Community Climate Change Centre is hereby accepting expressions of interest to make a presentation at the Caribbean Pavilion at the UNFCCC COP21 being held in Paris, France during the period: Monday 30<sup>th</sup> November to Friday 11<sup>th</sup> December 2015.

The following criteria apply:

The Presentations should fall into one of the following **Thematic Areas**:

1. **Water**
2. **Energy**
3. **INDCS and Mitigation**
4. **Agriculture**
5. **Tourism**
6. **Health**
7. **Private Sector and Insurance**
8. **Legal Aspects and Governance**
9. **Coastal Zone and Fisheries**

There will be a full day dedicated for the presentation of each of these thematic areas.

The time allotted for the presentations is a maximum of 10 minutes.

In your expression of interest, the following should be included:

*Your full contact information (including your partnering country or organization, if any),  
Topic and Abstract*

The information should be emailed to:

**Ms. Ethlyn Valladares, Coordinator for the Wider Caribbean Pavilion Side Events, Caribbean Community Climate Change Centre (CCCCC), at [hr@caribbeanclimate.bz](mailto:hr@caribbeanclimate.bz), with the subject heading title: “*Expression of Interest to make Presentation at the Wider Caribbean Pavilion at COP21 in Paris.*”**

**The deadline for submission is: 30<sup>th</sup> October 2015. Late submissions will not be accepted.**

**Based on responses, the Coordinators of the Wider Caribbean Pavilion will inform you of the acceptance of your presentation, other presenters in your possible side event and day assigned to your topic.**

Confirmation of acceptance will be provided to you by: 6<sup>th</sup> November 2015.

Final copies of presentations must be submitted to Ms. Valladares by: 18<sup>th</sup> November 2015.
